

# EcoBuilder™

Hardware only kit

EVERMORE

## ePalace™

canopy/platform bed kit for  
2x12 inch Great Plains FeatureBoard

### ArtUnion Assembly™ joinery hardware: includes:

- 8—6 inch AUA for bed rails
- 2—8 inch AUA for FeatureBoard
- 8—3 inch for AUA for canopy stretchers

ArtUnion Assembly hardware includes all barrel nuts (female fastener). Customer purchases own carriage bolts (male fastener) and washers locally.

ArtUnion Assembly™ hardware accommodates full dimension or dressed (nominal) size lumber:

- 4x4 (bed posts) • 2x8 (bed rails) • 2x12 (FeatureBoard) • 2x2 (cleats) • 1x3 slats. See cut list for more details. *Please note:* EcoBuilder kits do NOT include any wood.

**Mattress sizes** — Our standard bed frames are based upon a mattresses thickness of 8 inches and the following widths and lengths: • Twin (39x75) • Twin long (39x80) • Full (54x75), • Full long (54x80) • Queen (60x80) • King (72x80) • California King (76x84) and custom sized frames, please inquire.

**Elevations** (+/- .25 inch) — • Mattress height 18" • Space under bed rails 7.5" Overall height 90 inches. All elevations are fully adjustable.

**EcoBuilder™** kits can be ordered online at [tamalpais.com](http://tamalpais.com) or by telephone: 415-454-9948 or send us an email: [info@tamalpais.com](mailto:info@tamalpais.com)

**All dimensions and measurements are subject to change as we work to perfect our designs.**
